

WEST RYDE

3 2 2

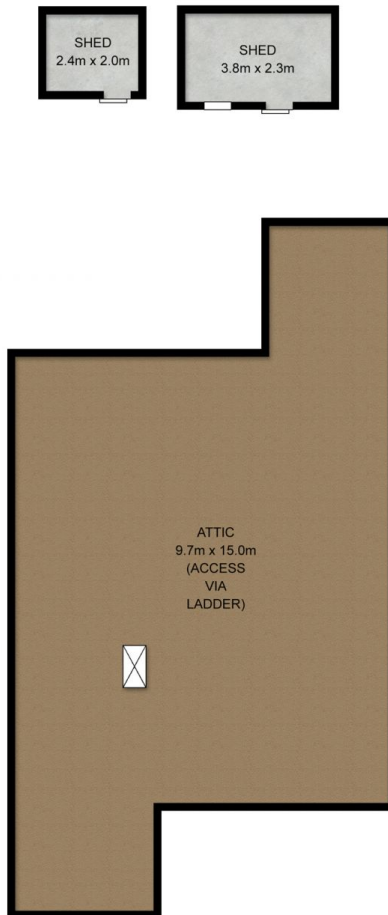

Full of character and appeal, this classically presented full brick home radiates style by combining retained period features, tasteful modern design and a generous single level layout. It offers a fresh easy-care residence with good proportions throughout and a focus on low maintenance in/outdoor living. This quiet neighbourhood setting is also within easy walking distance to city buses and schools while being handy to trains, shops and restaurants.

Land Size : 600 sqm
